## What we offer:

An experience like no other!

A heritage listed home with a modern renovation that has kept the charm of days gone by.

You will enjoy modern facilities including a deep spa, quality toiletries, three large bedrooms, and an amazing light filled kitchen and living area.

An undercover entertaining area with a family sized BBQ is completed by a cottage garden.

You can relax and watch the birds, clouds and stars through the large atrium that spans the living areas.

The Monarch really is a unique experience.
